The attitude and faith of humble servants

What's the difference between a believer and an atheist? What separates one who is indifferent to religion from a fervently religious person? Faith! To believe is no small thing and a tremendous gift. "Father, you are lucky you have faith!" an atheist friend once said to me. "I have tried often, but I just can't bring myself to believe."

We are indeed lucky, because having faith in Jesus opens us to heaven, to life after death, to finding hope and sense in suffering. Faith allows us to trust something bigger than ourselves and to be at peace even when all around us is crazy. Faith and acceptance is the difference between deep, interior harmony and a radical frustration.

We have received everything from God, which is why Jesus invites us to have the attitude of humble servants. He uses an example that's clear to his listeners: a servant works hard all day, comes home, and prepares and serves dinner. In so doing, he is merely performing his job. Jesus isn't endorsing the insensitive nature of the master but offering a model in the humble service of the domestic helper who faithfully fulfills his position. Since he receives everything from the master, he can only be grateful for the chance to work. Such is our position before God. We have no place being proud or demanding before God since all we have is from him: life, family, health, our talents.

2 Timothy 1:8

THE APOSTLES SAID TO THE LORD,
"INCREASE OUR FAITH."

~ Luke 17:5

Treasures from our Tradition

Sometimes human relationships go awry, but Christ's choice for us is irrevocable. In marriage celebrations, the Church always recalls God's faithfulness to help prepare married couples for enduring the inevitable rough spots. The Byzantine liturgy does this by adorning the couple with crowns that remind them of the martyr's crown. The couple therefore takes on a vocation of witnessing to the sacredness of life in all of its suffering and joy, and of keeping their eyes fixed on the banquet of heaven.

In Eastern theology, people have a liturgical vocation to give God praise, and marriage fits within that plan. It is not so much saying prayers that counts, but becoming prayer. Interestingly, in this liturgy the couple never utters a word other than joining in the community's chants; there are no marriage vows as such. There is therefore not a hint of our Western Christian sense that marriage is a legal contract. Rather, it is all about living out one's baptismal vocation, embracing the cross, pouring oneself out in love, and opening to the grace of the Holy Spirit.
