September 2019

Dear Sisters and Brothers in Christ,

This weekend we come together to support and celebrate the seminarians of the Archdiocese of Chicago. Our annual second collection benefits the forty-six seminarians currently preparing for lives of service as priests in our Archdiocese, and their generosity is inspiring.

The Church needs pastoral, compassionate and well-trained priests today more than ever. Your prayers and financial support help to make possible the education and training these seminarians need to shepherd parishes, celebrate the sacraments, and teach the faith. Contributions towards this collection have made a significant impact on each seminarian and I ask you to join me again this year in contributing to the Seminarian Education Second Collection.

Funds collected through this second collection alleviate monthly expenses such as tuition and fees, room and board, and health insurance for each seminarian and will be used solely for the formation of new priests for the Archdiocese of Chicago. Please utilize the remittance envelopes provided to your parish, or you are welcome to contribute online at www.archchicago.org/seminarianfund.

On behalf of current and future archdiocesan seminarians, thank you. May God continue to bless you abundantly. Please know that I keep you in my daily prayers and intentions, and I ask for yours in return.

Sincerely yours in Christ,

Archbishop of Chicago

Next weekend, September 28/29, the targeted items for our weekly collection for the needy are: BABY FOOD, BABY FORMULA, DISPOSABLE DIAPERS, POWDERED MILK, HOT AND COLD CEREALS, APPLE SAUCE, APPLE JUICE, AND OTHER FRUIT JUICES. All donations may be left in the vestibule.

The food pantry at our sharing parish, St. Eulalia in Maywood, IL, is in great need of the donations we receive each week. God bless you for your continued generosity to assist our sharing parish. **We respectfully request that you check expiration dates on canned goods and food items that you are donating and be sure that packages are unopened and properly sealed.**

Be worthy of the trust given you

This marble statue by the baroque sculptor Gian Lorenzo Bernini commemorates the life of Pope Alexander VII. It sits above the *porta della preghiera*—the side door of St. Peter's Basilica—and it shows the Pope kneeling in prayer. The Pope was known to prayerfully reflect on his death, and supported many beautification projects in Rome.

Civil or religious authority should be a service. Public authority is conferred upon a person by election or appointment in order to promote the common good. Far from a career of self-aggrandizement, it's a call to place the good of others before one's own.

When speaking of this, Jesus places the emphasis on trustworthiness. Those delegated authority are there to serve and to honor the confidence given them. That's why financial or political corruption is so grievous. People who first win the trust of others only to misuse it by taking advantage of them violate their mandate. And when trust is lost in public life and personal relationships, life becomes a walk through a valley of fear where we are governed by self-preservation. Truly then, we become what the Latins wrote: "Man is a wolf to man."

So be worthy of the trust your family, clients, and others place in you. Be worthy of the confidence God has bestowed with all the talents he has given to use for the good of others. Make your life a responsible gift to others and rejoice in their flourishing more than your own!

Treasures From Our Tradition

Although June is the month most associated with weddings in the United States, September has become more popular in recent years. Wedding celebrations always require some savvy planning, and people who have a talent for hospitality in the mix. At the wedding feast at Cana, the mother of Jesus was recruited to deal with some of the details of the banquet, and when a very understandable crisis arose, she did what she could to rescue the party. Anyone who has ever run out of ice, dessert, or table settings knows the stress!

Slowly, the memory of Jesus Christ's blessing of this marriage feast led the Church to form a way to bless marriages. A thousand years ago weddings migrated from the family home to the doors of the church, where the celebration was held in public view. From this practice came a prayer called the 'Nuptial Blessing,' one of the most solemn prayers in our tradition. It is very much like the prayers by which baptismal water and chrism are consecrated, the ordination prayer over a priest, and the Eucharistic Prayers over bread and wine. Four hundred fifty years ago, weddings moved inside the church building. All of this gives married couples good reason to celebrate their anniversaries well, especially with the clinking of glasses filled with good wine.
